

Nursery Class (Age 3-4)

(English & Putonghua)

Start the First Step of School in a Happy Nurturing Environment!

An expanding capacity to express themselves and their ability to play in small groups set the transitional threes apart from the twos. They are imaginative little buds exploding with thoughts and ideas, and they never seem to be at a loss for questions. Blooming Buds Nursery supports learning in the different content areas of language and literacy, mathematics, science, social studies, arts and technology through a group-learning environment. Opportunities for self-directed exploration are readily available to provide for the development and practice of knowledge and skills.

Age: 3-4

Duration: 3 hours

Ratio: 18 children with 2 teachers

Language: English and Putonghua

Learning opportunities include:

- Receptive and expressive language development in English and Putonghua
- Studies and discussions
- Large group gatherings for songs and rhymes
- Developing a love of reading through D.E.A.R. Time (Drop Everything And Read)
- Fine motor training
- Emergent literacy skills
- Science and sensory experiences
- Building imagination and understanding through role play
- Balance and coordination exercises
- Exploration of gross motor games and play structure
- Self-help
- Individual and group projects based on student interest
