

Application Fee \$100/- (New Students Only)

## Toddlers in Transit

Parent/Caregiver accompanied

Sept - Dec 2021

Tuesday and Thursday

14-23 months

At Blooming Buds, we understand that all children develop at their own pace when it comes to separation from parents for the purpose of schooling. To help children and parents through this transitional period with as few bumps and tears as possible, we provide Toddlers in Transit – A program for playgroup buddies who can benefit from a more challenging curriculum, while still enjoying the supportive comforts from parents/caregivers. With short school days and hours, parents and children will find the separation at a more comforting pace.

*\*\*Students of Toddlers in Transit Class will be given priority to apply for our Pre-Nursery Class.*

### Play-based learning:

- Sensory experiences
- Scientific exploration
- Early mathematics and literacy
- Fine and gross motor training
- Music and movement
- Self-care and school routines
